

Multi Purpose

Light Duty

## The reference for tactility, dexterity and flexibility

- Almost a second skin, this very thin glove offers outstanding dexterity, fit and sensitivity for the most delicate handling
- 18-gauge knitting technology allows this glove to be ultra-thin yet tough
- Designed for a wide range of lightweight applications in dry or slightly oily environments, it is ideal for workers who need a higher level of fit, touch and precision than that offered by their current gloves
- In addition, the 11-616 dark liners are well suited for environments that present a certain degree of dirt
- The white color is ideal for clean environments/dirt sensitive applications

### Key Features

- Light duty 18 gauge liner offers outstanding tactility and dexterity
- Extra-thin 0.8mm polyurethane coating provides high dexterity with high abrasion resistance
- Dark liner and glove mask dirt and reduce glove waste

### Sensitisers

- Natural rubber proteins

Only a very small number of users may be sensitised to this ingredient in the glove and hence may develop irritant and/or allergic contact reactions.

### Performance Standards & Regulatory Compliance

EN 388:2003

EN 388:2016

REACH Compliant
