

STP13

Knitted Polyester Glove

Product Datasheet

OUR REF: STP13

PRODUCT DESCRIPTION

A 15 gauge seamless machine knitted polyester glove for durability and comfort. The gloves offer excellent dexterity when handling small or intricate items. Recommended for precise general handling, detailed assembly and inspection of dry items.

TYPICAL APPLICATIONS

Glove liner, product protection, very light handling in dry conditions.

AVAILABLE SIZES: 8/s • 10/L • 11/XL

PACKAGING: Per Pack: 12 pairs

Per Box: 240 pairs

Technical Details

CE
Minimal Risk

For protection against:

- Mechanical action whose effects are minimal and easily reversible.
- Handling hot components not exposing the wearer to temperatures above 50 C.
- Atmospheric agents of neither exceptional nor extreme nature.
- Minor impacts and vibrations which do not effect vital areas of the body and where the effects cannot cause irreversible lesions.

- **Storage:** Gloves should be stored in a cool, dry environment in the original packaging and out of direct sunlight.
- **Maintenance:** Both new and old gloves should be thoroughly inspected before use to ensure no damage is present. Gloves should not be left in a contaminated condition if reuse is intended - if contaminated, gloves should be cleaned as far as possible
