EC Directive 89/686/EEC

EC Type-examination

Issue 1.

PPE Product

UCi (logo) REDEK R265E, red PVC coated cotton interlock lined gauntlets with a smooth finish and attached green PVC coated cotton interlock lined sleeves, which are available in two nominal hand sizes with a nominal overall length of 65 cm.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements of the relevant harmonized standards: EN 374-1:2003 with EN 374-2:2003 performance level 3, EN 374-3:2003 permeation (\geq level 2) with reagents A, K & L; EN 388:2003 for a performance classification of 4,1,2,1.

The manufacturer's information notice (REDEK R265E), in English, has been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file specification: TF.GS.200.SL, issue 3 with supplement.
